This beautiful 3-bedroom, 2-bath home features wood-look tile flooring and granite countertops throughout for a clean, modern feel. The spacious living area offers a cozy gas fireplace with stone accents, creating a perfect centerpiece for gatherings. The sequestered master bedroom provides a private retreat with dual sinks, a separate tiled shower, and a relaxing soaking tub. An oversized garage is designed to comfortably fit an R-150 truck. Outside, enjoy a fully landscaped front yard, while the low-maintenance turf backyard includes an extended patio ideal for entertaining or unwinding year-round.
